Australian Sign Language Interpreters' Association

# OPEN MEETING AND NDIS PRESENTATION

***Friday 3rd March 2017, 6:00pm  
at The Deaf Society, Parramatta  
(Level 4, 69 Phillip Street)***

ASLIA NSW is committed to improving the transparency of our committee and would like to invite members to attend our open committee meeting on Friday 3rd March 2017. We want you to know who we are and what we do. Following the meeting we will host a casual professional development session presented by Alex Jones about the NDIS; briefing interpreters for the upcoming onslaught of 'planning meetings', including NDIA terminology and information for providers.

Come along, meet your ASLIA NSW committee, participate in some PD and take the opportunity to catch up with your interpreting colleagues over beer and pizza! We'll supply the pizza and will have beer available per gold coin donation to the Creating Opportunities Fund.

***Please arrive at 6:00pm for a 6:30pm meeting start.***

Attendees will receive points towards NAATI revalidation in either of the following categories:

§3.1 Translating and Interpreting Skills Development: 20 points; or §4.2 Complementary Skills Development: 10 points
