ASLIA NSW invites you to attend the launch of our 2016 Strategic Plan and the first of many networking events for the year ahead! Come along and find out what we have planned for you in 2016 and catch up with colleagues after the break over some wine and cheese. We have a guest presenter from Professionals Australia who will provide a brief update on the work they are doing in the Translator and Interpreter space. We are also fortunate to have Colin Allen, World Federation of the Deaf President giving a presentation on the collaboration work of WFD & WASLI.

Following member feedback to our planning day survey, we have put together a fingerspelling challenge to kick off the PD calendar for 2016. Here's the perfect opportunity to test your skills in a fun and safe environment. We hope you will pick up some new strategies for those times when f/s readback can be a little bit challenging!
